Re: Bike Path and Landscaping, Verde Street - Switzer Canyon
Agreement JPA 95-87
TRACS No. SL356 01C
Project No. STP-FLA-0(1)P
Amendment No. 1

Dear Mr. Wilcox:

An error was made in the production of the above referenced agreement (enclosure 1). Moreover, due to project developments, it has been agreed that although ADOT will bid the project, construction will be administered by the City of Flagstaff. To insure contractor payment compatibility, ADOT has agreed to license (enclosure 2) the City to utilize ADOT's Contractor's Pay Estimate software.

Therefore; so much of paragraph II.1.a, the first "City" is changed from "City" to read "State". Enclosure 2 (Site License Contract and "ADOT Products" language) is incorporated into the agreement and made a part thereof. All other terms and conditions of the agreement remain the same.

To properly memorialize this amendment, and to insure a meeting of the minds, please indicate your concurrence of this amendment in the space provided below and return one original of this instrument to the undersigned at the above address to the attention of Mail Drop 616E.

Questions may be directed to the undersigned at (602) 255-8369 or Ms. Murdough at 255 556.

Sincerely,

E. Jack Hammitt
